

Winter 2018

Ciao amici of Baltimore's Little Italy:

Saint Leo's Church is planning its two annual summer Italian Festivals: **Feast of Saint Anthony June 2-3, 2018** and **Feast of Saint Gabriele August 18-19, 2018**. Baltimore's Italian community have honored these two saints since 1904 and 1928, respectively, and their important significance to the parish.

Families and friends from around the city, state and country (and sometimes from *Italia!*) are attracted to these decades-old festivals as folks immerse in Italian traditions of food, music, camaraderie and culture. Each festival draws over 10,000 visitors to the Little Italy neighborhood, many returning to their childhood roots.

Saint Leo's offers you the opportunity to participate as a vendor **in one or both** of its 2018 Italian festivals. Vendor participation offers you the chance to showcase your product or business message while reaching a substantial audience. Hours are Saturday 12-8 pm and Sunday 11am-7 pm. Booth size is 10 X 10 for a \$300 donation, per 2-day festival.

We invite you to consider this distinct opportunity to support Saint Leo's Italian festivals as Baltimore's Italian community celebrates its beloved parish – truly "the heart of The Neighborhood." You are encouraged to act today in returning the Vendor Agreement(s) as vendor space is limited on our streets.
